

SUNNY JEPSEN

Creative Lead · Brand Identity · Packaging · UX · Digital Marketing

fodo42@gmail.com · Hillsboro, Oregon · sunnyjepsen.netlify.app · linkedin.com/in/sunny-j-a18b991b

SUMMARY

Creative Lead with 15+ years of experience building brand systems, packaging, UX, and multi-channel marketing from the ground up — as the sole creative resource across a 200+ SKU product line. I own the full creative lifecycle: strategy, design, production, and delivery. Cross-cultural background (South Korea → Oregon) informs systems thinking, visual precision, and human-centered communication.

CORE SKILLS

Brand Identity & Systems · Packaging Design & Structural Dielines · UX/UI Design · Digital Marketing · Technical Illustration · Executive Presentations · Typography & Color Theory · Print Production · Social Media Management · Email Marketing · Cross-functional Collaboration · Adobe CC (Illustrator, Photoshop, InDesign, XD) · Figma · Basic HTML/CSS · AI Design Tools

WORK EXPERIENCE

Creative Lead · Uei Test Instruments · Hillsboro, OR · 07/2022 – Present

- Built and maintained a complete brand standards system — logo, color, typography, iconography, packaging, and collateral rules — used by internal teams and external partners across a 200+ SKU product line.
- Redesigned product packaging from blister card to custom hang-tab box format, increasing units per master carton from 20 to 35 (75% shipping efficiency gain) — direct cost reduction on every freight order.
- Designed both structural dielines and all artwork files for the full product line — eliminating external agency dependency and enabling faster time to shelf.
- Grew Instagram following 300% (1,500 → 6,200) through organic content strategy across Instagram, Facebook, LinkedIn, and X — no paid media budget.
- Designed and maintained a weekly distributor newsletter (Constant Contact) for 7+ years — now at 400+ editions with steady open rate growth.
- Produced 3,000+ precision vector technical illustrations across 100+ products and 130+ accessories for manuals, website, and marketing materials.
- Produced all executive and distributor presentation decks — distilling complex data into clear visual narratives for C-suite and sales audiences.

Assistant Marketing Manager / Senior Graphic Designer · Uei Test Instruments · Hillsboro, OR · 12/2015 – 06/2022

- Led visual systems for seasonal, private label, and in-store campaigns across print, digital, and event media.
- Redesigned Uei website — resulting in +150% bounce rate reduction, +130% time on site, +175% product page views.
- Managed tradeshow design and production from concept through installation — coordinating across vendors, marketing, and sales teams.
- Completed Google UX Design Certificate (2022) — applying research, wireframing, prototyping, and usability testing across three end-to-end UX projects.

Graphic Designer · Uei Test Instruments · Hillsboro, OR · 12/2012 – 11/2015

- Delivered brand-consistent design across packaging, marketing, and product documentation in a fast-paced manufacturing environment.
- Built foundational visual equity for the Uei brand through consistent, high-quality execution across all touchpoints.

Web Graphic Designer · Start-Up · Oregon · 10/2011 – 09/2012

- Design lead for all digital collateral — icons, UI graphics, and logos — collaborating with developers and PMs on front-end visual experiences.

Graphic Designer · Sorg Printing · Oregon · 10/2008 – 09/2009

- Designed print and digital media for high-volume publications — sharpening skills in layout, typography, and deadline-driven production.

Designer · **Leeho Stationery** · Busan, South Korea · 2004 – 2008

- Designed product lines and global tradeshow materials for a production-scale stationery manufacturer — rapid product cycles, tight deadlines, international trade events.

EDUCATION

B.S. Product Design Engineering · Silla University, Busan, South Korea · 2002

Google UX Design Certificate · 240 hours · 2022
